

FC10/15 SERIES FIELD CULTIVATORS

Up to 50 HP | Cat. 1

FC15

Tackle seedbed prep, soil aeration and weed control; all in one tool.

The Land Pride FC10 is a single row 3-Point Cat. 1 C-tine Field Cultivator for use by hobby farmers or gardeners. It features 6 spring steel C-tines, reversible and replaceable heat-treated tips, adjustable row spacing, and durable formed steel frame. Working width is 48" up to 57".

The Land Pride FC15 is a 3-Point, 3-bar, 13-tine Field Cultivator that tackles a number of tasks in the field, including seedbed preparation, soil aeration, and weed control, just to name a few. The cultivator features 13 S-tines with reversible and replaceable tips, a Cat. 1 hitch, 2" x 2" square tube frame, adjustable tine spacing, and a 4" working depth. The FC15 also features bolt on extensions to expand the working width from 72" to 96", an industry exclusive! The rear hitch allows you to pull Land Pride's DRG06 & DRG08 Drag Harrows.
