Tilt and Slave Cylinder Group (Page 2 of 2)	37
Stabilizer Cylinder Group	39
Front Assist Hub, 5030-4 and 6034-4	41
Boom Cylinder, 5030	42
Boom Cylinder, 6034	43
Lift Cylinder	44
Tilt and Slave Cylinder	45
Stabilization Cylinder	46
Steering Cylinder	47
Main Control Valve Levers	49
Throttle Linkage and Miscellaneous Controls	51
Electrical System	53
Decals, Paint and Miscellaneous	55
Lighting Electrical (Optional)	56
Diesel Cold Start (Optional)	57
10 Foot Mast Extension (Optional)	59
Hydraulic Plumbing (Optional)	61
Counterbalance Valve (Optional)	63
Side-Tilt Carriage (Optional)	65
Fenders (Optional)	66
Concrete Hopper (Optional)	67
Rear Wheel Weights (Optional)	68
Rubbish Bucket (Optional)	69
Crane Hook (Optional)	70
Forks (Optional)	71
Vandalism Kit (Optional)	72
Cab Assembly (Optional)	73
Side-Tilt Carriage (Optional)	74
Carriage Cylinder - 3 in. Diameter	76
Carriage Cylinder - 4 in. Diameter	77
10 Foot Mast Extension (Optional) 5,000 lbs.	79
Floating Shaft Type Grille & Forks (Optional)	80

PARTS LIST

GENERAL INFORMATION:

This section has been prepared for ease in identifying and ordering parts for the 5030 and 6034 series Skytraks.

The illustrations in this section show typical assemblies, plus individual parts, but may not show the exact shape or detail of parts required. However, the purpose for the illustration is to identify parts performing like functions. Whenever possible, illustrations are located at the beginning of each list or immediately adjacent to its applicable list. Parts are identified on each illustration by item numbers. Find the item number of the part desired and locate it in the parts list figure column. The part number for ordering will be opposite the index number.

The information contained in this parts list include:

Part numbers.

Part name including description and dimensions where necessary for proper identification of parts. Remarks for use in showing particular application or other special information.

Quantity used per unit.

Certain parts are shown to maintain assembly relationship, such as complete frame or weldments, and are not normally stocked. Should a need for such a part arise, it may require as much as six months lead time before shipment. No special ordering procedure is required for such parts.

All pure seven (7) digit part numbers, i.e. 7034593, 8305437, are to be obtained from Skytrak dealer who will obtain them from Koehring.

INFORMATION CONTAINED HEREIN IS EFFECTIVE AS OF

AUGUST 1, 1980, W/REVISED PAGES

NOTE ON HARDWARE

ITEMS NOTED —S— ARE STANDARD HARDWARE.
OBTAIN LOCALLY WHERE POSSIBLE.

FRAME GROUP

FRAME GROUP

Index No.	Part Number	Description	Qty. Req'd.

The parts information in this publication is based on data available at the time it was printed. Because of continual improvement and advancing product design, your vehicle may not be identical to the parts information shown. Whenever there is a question, obtain the latest parts information available from your local dealer. JLG Industries, Inc. continually updates these publications electronically within our *OnLine Services*.

Benefits

- Available 24 hours a day, 7 days a week for your convenience.
- Prices and parts manuals are always current - reduces errors and saves time.
- Improves service to your customers with quick access to valuable information.
- Reduces time required to gather information.
- Reduces processing time for warranty claims.

Program Features

- In a few easy steps you can:
- Look-up prices and availability.
- Identify parts using graphical parts manuals.
- Enter orders using part numbers, or order by selecting from graphical parts manuals.
- Review order status.
- Review invoices and credits.
- Review shipping information.
- Submit warranty claims
