

MPS26 SERIES MULTI-PURPOSE SEEDERS

60-110 HP | 3-Point, Cat. 2 or Pull-Type

Sod farms to food plots.

The MPS26 Multi-Purpose Seeder incorporates 40 years of experience in designing and manufacturing seeding equipment to deliver a durable, high-quality tool that will exceed your expectations. Whether employed to restore a pasture, reclaim a right-of-way, overseed a ball field, or plant a new yard, you know that Land Pride's MPS26 will deliver the results you've come to expect from a seeder leader.

Front rollers feature 5/8" x 2" spikes that break through thatch and crust to prep the soil for seeding.

Easily disengage drive sprockets with Land Pride's patented Lock-Out Clutch on all boxes.

Optional native grass box uses agitators to keep the seed flowing toward the picker wheel.

Mud scrapers on the rear packer roller keep soil from compacting on roller in damp conditions.

		MPS2607	MPS2609	MPS2611
Horsepower	3-Point	70 HP	90 HP	110 HP
	Pull-Type	60 HP	80 HP	100 HP
Hitch	3-Point, Cat 1 & II or Pull-Type with Transport Wheels	3-Point, Cat II or Pull-Type with Transport Wheels		
Working Width		7'	9'	11'
Length		3-Point: 57", Pull-Type: 133"		
Height		47"		
Weight - lbs (kg)	3-Point	1,878 (852)	2,090 (948)	2,650 (1202)
	Pull-Type	2,425 (1100)	2,728 lbs (1237)	3,320 lbs (1506)
Seedbox Capacity - Main		7.5 bu.	8.8 bu.	11.3 bu.
Small Seeds Box		1.7 bu.	2.0 bu.	2.6 bu.
Native Grass Box		8.5 bu.	9.8 bu.	12.7 bu.
Output		Varies by Seed, Broadcast		
Front Rollers		8-5/8" Diameter, 1-1/4" Spindles with Greasable Ball Bearings		
Front Roller Angle		Up to 18 Degrees		
Front Roller Spikes		5/8" x 2", Heat-Treated Steel, Replaceable		
Rear Packer Roller		11-3/8" Diameter, Cast and Notched Gray Iron Rings		
Chains		#40 Series Chain		
No. of Seed Cups Main Box & Small Seed Box - each		12	14	18
Acrometer		Digital, Optional		
Transport Lights		Standard
